Index to Subject Matter

Abortion, techniques of 375
American College of Surgeons, Kansas Chapter, issue:
  fractures, chance, caused by seat belts 361
  hiatus hernia, symptomatic: surgical treatment without regard for esophageal hiatus 355
  myocardial revascularization: current status and surgical technique 351
  pheochromocytoma: diagnosis and management 345
  prepyloric antral stenosis 353
  rupture, idiopathic, of the rectosigmoid colon 358
  sepsis and septic shock 340
American Medical Association: actions of house of delegates 56, 329
Ammonia, anhydrous: suggestions for treating patients 483
Anti-arrhythmic agents other than digitalis 276
Aortic valve: prosthetic replacement 21
Aquarians and antiquarians: generation gap and changing events 383
Biochemistry: LHD isoenzyme patterns in surgical specimens from brain and brain tumors 117
Blood:
  coagulation, disseminated, intravascular: diagnosis and practical approach 378
  dyscrasias: hereditary sperocytosis with polycythemia 219
Brain and spinal cord: medullary tractotomy 267
Brown spider bite (thesis) 197
Cancer (see Tumors)
Carcinoid syndrome, low voltage in 416
Cardiac function: newer concepts of evaluation 324
Cardiovascular system:
  heart:
    aortic valve: prosthetic replacement 21
    arrhythmia:
      anti-arrhythmic agents other than digitalis 276
      following acute myocardial infarction (thesis) 279
    cardiac function: newer concepts of evaluation 324
    congestive failure: clinical evaluation of furosemide .. 189
    coronary care units: aspects and development in community hospitals 192
    mitral valve: prosthetic replacement 41
    myocardial revascularization: current status and surgical technique 351
    pacemakers, epicardial and transvenous, experience with 35
    tetralogy of Fallot 439
  vascular:
    aneurysm, abdominal, aortic, associated with horseshoe kidney 457
    disseminated, intravascular, coagulations: diagnosis, practical approach 378
    frostbite: pathogenesis and treatment 11
    hypertension: etiology and pathogenesis 394
    polyarteritis, granulomatous 460
    renal angiography, with reference to forward venogram 104
Chronic granulomatous disease of childhood 409
Clendening medical library: current extramural activities ... 76
Coagulation, disseminated, intravascular: diagnosis and practical approach 378
Contraceptives:
  intrauterine devices and uterine perforation (thesis) 318
  oral:
    clinical evaluation of 465
    pros and cons (thesis) 43
Coronary care units: practical aspects and development in community hospitals 192
Demands of society upon medical research 426

  bite, brown spider (thesis) 197
  lentigo, benign, of face: treatment with diamond abrader .. 196
Diagnosis:
  coagulation, disseminated, intravascular: practical approach 378
  enigmatic patient: misleading chief complaint 115
Diagnostic techniques: electron microscopy: sudden death in patients under phenothiazine therapy 213
Disaster control: validation of disaster simulation 418
Dyscrasias: hereditary sperocytosis with polycythemia 219
Dyslexia, specific: physician's role in identification 101
Electron microscopy: sudden death in patients under phenothiazine therapy 213
Embolism, pulmonary: recognition of 221

Emergency care delivery 90
Endocrine system:
  pheochromocytoma: clinical diagnosis and management ... 345
  thyroid: laboratory methods for determining function (thesis) 145
Fetal distress: methods of evaluating (thesis) 435
Fractures, chance, caused by seat belts 361
Frostbite: pathogenesis and treatment (thesis) 11
Furosemide: clinical evaluation in congestive heart failure .. 189
Gas gangrene: spectre still looms 79
Gastrointestinal system:
  hiatus hernia, symptomatic: surgical treatment without regard for esophageal hiatus 355
  rectosigmoid:
    colon: idiopathic rupture 358
    proctosigmoidoscopy: value of routine examination 274
  stenosis, prepyloric antral 353
Genitourinary system:
  bladder: lazy Susan to monitor hourly urine output 38
  carcinoma, renal cell 109
  horseshoe kidney, abdominal aortic aneurysm associated with 457
  prostatism: indications for surgical intervention 85
  renal:
    angiography, with reference to forward venogram 104
    dialysis centers in Kansas 442
Health care, delivery of 484
Health education: Kansas Regional Medical Program's continuing education unit 139
Heart (see Cardiovascular system)
Hernia, symptomatic hiatus: surgical treatment 355

  pregnancy, Rh incompatible: modern management (thesis) 391
Orthopedics:
  fractures, chance, caused by seat belts 361
  metacarpophalangeal joint; management of the key to hand function 87
Otolaryngology: hearing: screening tests in rural communities 7
Pacemakers, epicardial and transvenous: experience with .. 35
Pediatrics:
  chronic granulomatous disease of childhood 409
  respiratory distress syndrome in the newborn 93
Peer review 141
Perforation of uterus by intrauterine contraceptive device (thesis) 318
Pharmacology: marihuana: clinical psychopharmocologic aspects 313
Pheochromocytoma: diagnosis and management 345
Pregnancy, Rh incompatible: modern management (thesis) .. 391
President's message 23, 51, 131, 181, 203, 230, 287, 326, 366, 396, 440, 489
Proctosigmoidoscopy, its value as screening procedure 274
Prostatism: indications for surgical intervention 85
Public health:
  disaster simulation, validation of 418
  home health agencies 407
  screening tests for hearing, in rural communities 7
Pulmonary embolism, recognition of 221
Radiology: carcinoid syndrome, low voltage in 416
Renal:
  angiography, with reference to forward venogram 104
  dialysis centers in Kansas 442
Respiratory distress syndrome: reversible cyanosis in newborn 93
Respiratory system:
  lungs:
    breathing room for patient with chronic obstructive lung disease 40
    pulmonary embolism, recognition of 221
    respiratory distress syndrome in the newborn 93
    sarcoidosis, pulmonary (thesis) 471
    tuberculosis: historical development of chemoprophylaxis (thesis) 223
Revascularization, myocardial: current status and surgical technique 351
Rheumatic fever: current concepts—1970 97
Rubella 4
Seat belts, chance fractures caused by 361
Sepsis and septic shock 340
Spherocytosis, hereditary, with polycythemia 219
Stenosis, prepyloric antral 353
Student theses:
  brown spider bite 197
  cardiac arrhythmias following acute myocardial infarction 279
  contraceptives, oral: pros and cons 43
  frostbite: pathogenesis and treatment 11
  intrauterine contraceptive device and uterine perforation . 318
